There are missing sections like literature review, implications, limitations of the study, and future study area Also, the Results/Study Findings section should be separated from the Discussion section and should be well presented.</p> <p>5. Yes, to a large extent</p> <p>6. There are numerous references I have included in the reviewed manuscript as well as citations.</p>	
<p><u>Minor</u> REVISION comments</p> <p>1. Is the language/English quality of the article suitable for scholarly communications?</p>	<p>The author(s) need to take their manuscript to the English editor before or after the major corrections since it has a lot of spelling mistakes/ grammatical errors /poor punctuation. The English editor's copy should be submitted together with the revised copy for proof.</p>
