Yes2. Yes3. Revision required4. Revision required5. Revision required6. Revision required	
<p><u>Minor</u> REVISION comments</p> <ol style="list-style-type: none">1. Is the language/English quality of the article suitable for scholarly communications?	Revision required	

Optional comments	<ol style="list-style-type: none">1. In writing this background, you need to write down reference sources2. Why is the "STRUCTURED TEACHING PROGRAMME" in this study so important for dealing with stress? Please explain3. What is the aim of this study? please write it at the end of the paragraph4. How can this program reduce stress levels? The average post-test stress score is higher than the pre-test? even though in the "data collection" section it has been explained that the higher the stress score, the heavier the stress level5. There is very little discussion here, please add why this research is significant, how it relates to previous research, what contribution this has to the development of science	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
