Important Policies Regarding Peer Review

Peer review Comments Approval Policy: <https://r1.reviewerhub.org/peer-review-comments-approval-policy/>

Benefits for Reviewers: <https://r1.reviewerhub.org/benefits-for-reviewers>

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	<ol style="list-style-type: none"> 1) The ornamental plance species in vulnerable in some areas. 2) Therefore its important to promote this species as wide use, like indoor pot plant for the table arrangement. 3) Manuscript is nicely arranged. 4) Analysis done with better experiment arrangement 	
Is the title of the article suitable? (If not please suggest an alternative title)	<p>Yes, suitable, but need to check some minor corrections Start of title as investigate... looks like question</p> <p>Alternate name suggestion:- “Effect of different media and shade percent on growth of Lepironia articulate (Grey Rush) as an ornamental indoor pot plant”</p>	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	<ol style="list-style-type: none"> 1) Yes, abstract is comprehensive. 2) Dosages of media use (and may be duration of shade) may mention 	
Are subsections and structure of the manuscript appropriate?	Yes, appropriately arranged.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be	<ol style="list-style-type: none"> 1) Author name of Lepironia articulate may writted. 2) Eta pan, is a Sinhala name, should be written italic all where. 3) Propoer English name of this species may mentioned somewhere. 4) Lepironia articulate, scientific name should writted in single style everywhere, if italic, mean all where should be italic. 	

required for this part.		
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes, In the references, article name, inside all letters should be in small case Justify all references, with correct font size	
Minor REVISION comments	Yes	
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	N.A.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
